Full Fat Soft Cheese

Full Fat Soft Cheese is a firm but spreadable soft cheese with a rich creamy taste profile, delicate lactic notes and smooth texture. This product will not flow readily when inverted.

Ingredients:

Pure dairy ingredients, salt, emulsifier and stabilizer.

Shelf-life:

6 months from production when stored between 1-5 °C. Once opened, the product should be consumed within 3 days.

Packaging:

Available in 2 kg tubs, 10 kg pails/buckets and 10 kg/20kg bag in box.

Applications:

Bakery products, desserts, dips, soups, sauces, spreads, ready meals and other cooking applications.

Advantages:

- ✓ Full Fat Soft Cheese has a fresh taste profile with a smooth, creamy stable texture
- ✓ Suitable for a wide range of hot and cold savoury and sweet applications
- ✓ A wide range of pack sizes are available to suit your operational needs
- ✓ We specialize in custom made and signature flavours. Our technical team will work with you to create your perfect flavour.
